Jahangirnagar University, Savar, Dhaka

SKILLS

- **Programming Languages**
 - C++
 - C
 - JAVA
 - Python
- **Web Development**
 - HTML
 - CSS
 - JavaScript
- **Version Control**
 - Git
 - GitHub
- **Tools & Frameworks**
 - Pandas
 - NumPy
- **Problem Solving**
 - Data Preprocessing
 - Algorithm Design, Optimization
- **Soft Skills**
 - Communication, Teamwork
 - Adaptability, Critical Thinking

LANGUAGES

- English: Intermediate

HOBBIES

- Cooking
- Reading
- Crafting

PROFILE

Aspiring data scientist and machine learning specialist currently pursuing a degree in Computer Science and Engineering. With a solid programming background and a keen interest in AI, I am focused on applying my skills in Python and SQL to drive innovation in the tech industry. Passionate about leveraging data to develop solutions that have a real-world impact. Eager to contribute to cutting-edge projects in artificial intelligence, machine learning, and data science.

EDUCATION

Bachelor of Science

Jahangirnagar University

- 2022-Present
- Computer Science & Engineering

Higher Secondary Certificate

Ramgarh Govt. College

- 2018-2020
- Science
- GPA:5.00

Secondary School Certificate

Ramgarh Girls' School

- 2016-2018
- Science
- GPA:5.00

PROJECT

Programming Projects

- **Expense Manager**
 - A tool for managing and tracking daily expenses efficiently.
